

School Health Advisory Council Meeting
Monday, 1/08/07
High School Conference Center
5:30 to 6:30 pm

Agenda

- I. Welcome/ Introductions
- II. Old Business
 - Automated External Defibrillator Donations
 - 1). One Unit Texas Association of School Boards (TASB)
 - 2). Five Units from Bluebonnet Electric
 - a). Units will be housed at Bluebonnet Elementary, Navarro, Plum Creek Elementary, Pride, Discipline Management Center and an additional unit will be housed at High School Athletics for simultaneous sporting events.
 - Texas Action for Healthy Kids Alliance Annual Meeting
 - 1) Focused on Implementation and Evaluation of Wellness Policies for Texas School Districts
 - a) Suggested wellness policies should be combined into district and campus goals for each school year
 - 2) Review of district and campus goals for the current school year.
 - 3) Propose to have a wellness representative on each campus and district improvement committee for next year.
 - 4) Review of Texas State Nutrition Policy
 - a) No unscheduled changes to the policy already in place
 - Emergency Preparedness Handouts
 - 1) Warren Lay – Lockhart Fire Department – has graciously volunteered to contact a meteorologist to come speak to students of the effects of weather and handout emergency brochures at that time. Schools are being contacted as to their availability and time scheduling.
 - Diabetes Walk for Schools
 - 1) No specific news about this activity. I need more input from the group as to the group's intentions.
 - Blood Drive at High School
 - 1) Report from Maryanne Morris.
