<p>Description of Program: The Caldwell County GED Testing Center was relocated from Luling to Lockhart ISD Community Education during the Spring of 1976. During the past 28 years, the GED Testing Program has grown tremendously. In the beginning, Gary Job Corps transported students to test during the evening hours at the Community Education Center. In May 1991, the GED Examiners began traveling to Gary Job Corps to provide testing services. The GED Testing Program expanded again in January 1993 by providing GED testing services at Wackenhut Corrections Corporation (currently The GEO Group, Inc.).</p> <p>Test Fees: \$30 per test</p>	
<p>Quantity of Service Evaluation:</p> <p>2003-04 Total number of tests given: 11,775 2004-05 During the Month of September: 983 tests were given</p>	
<p>Quality of Service Evaluation: Evaluated and monitored through the GED Testing Administration at the Texas Education Agency.</p>
